Brokers View: The Residences at The Ritz-Carlton Westchester II

February 26, 2016

More than 100 of the top real estate brokers in the Lower Hudson Valley were on hand for a reception showcasing a newly furnished model penthouse at The Residences at The Ritz-Carlton Westchester II.

The reception, held Wednesday, Jan. 27, gave brokers an exclusive look at one of the spacious residences at the luxury high-rise condominium, located at 5 Renaissance Square in the heart of downtown White Plains and a short walk from the Metro-North train station. Sweeping views take in the Long Island Sound, New York City's skyline and the Westchester countryside.

"We are delighted by the tremendous response we received from the residential brokerage community to our new model penthouse," Nancy Kennedy of Houlihan Lawrence said.

"Everyone was very impressed by the exquisite design, luxurious finishes and the breathtaking views. The Residences at the Ritz-Carlton Westchester II is clearly the height of luxury living in Westchester."
